

Pricing April 2024 – March 2025

To find the price options per thousand words for your document, first decide how much time you can allow for proofreading; the cost will be lower if you allow longer. Next, check that your word count is within the numbered range in the same column; you will find the price per thousand words for the Standard and Advanced Services underneath.

For example, **3 days** for **6000 words** at the **Standard Service** rate would be **£78.00**
